## SPA PHILOSOPHY

On the top floor of the prestigious heritage Pacific City Club sits a world where fitness, aesthetics and relaxation awaits, you will find the solace and peaceful at The Spa at Pacific City Club, Bangkok where you can restore energy and healing from within. The Spa offers a range of facilities, services and experience that promise to deliver a sense of well-being and luxury as well as its objective of offering services for discerning individuals.

The Spa merges a tranquil retreat from the daily grind with therapies drawn from both East and West which features treatments that are firmly grounded in the ancient principles of balance and harmony yet add an extra dimension to enhance the overall spa experience and exotic blend of holistic therapeutic benefits.

Applying the healing properties of essential oils, aromatic herbs and exotic spices as natural healing properties of aromatic in massage therapy to exert powerful effects on the body, mind and emotions. The Spa creates a unique blend signature of aromatic essences extracted from four season flowers, plants, trees, bark and seeds. The resulting experience will remove you from the rigour of the outside world and places you within a comforting space with experts trained to ease away any tension.

## SPA FACILITIES

The Spa at Pacific City Club is a calming haven in the heart of Bangkok's bustling metropolis. The décor is modern Thai, with elements of a bygone era and facilities as modern as today.
